Emily's Hope Curriculum
Price List

Emily's Hope K-12 Substance Use Prevention Curriculum is carefully designed to address growing concerns surrounding substance use and overdose in our communities. Our curriculum focuses on age-appropriate and promising practice content that educates children about the risks of substance use while empowering them to make healthy choices. By fostering open communication between children, parents, and educators, we aim to create a supportive environment that promotes well-being and resilience.

Kindergarten

RECOMMENDED

Preferred Plan: 1:1 Student Books

Pricing is per student, per year

Grade	Price Per Student
Kindergarten	$15

Standard Plan: Basic Classroom Access

Pricing is per grade level, per year

Students per Grade	Annual Cost
10–29	$300
30–99	$700
100–299	$1,300
300–499	$2,000
500–699	$3,000
700–799	$4,000

Contact for a custom quote:

- Fewer than 10 students per grade
- 800 or more students per grade

We may request enrollment verification to ensure accurate pricing and licensing.

Why We Recommend 1:1

When students take their books home, they share what they've learned, sparking powerful conversations with families. Educators report higher engagement, better retention, and stronger community impact.

Another option: Some schools purchase 1:1 classroom sets in the first year and then switch to the Standard Plan in future years.

You can also choose a different plan for each grade level.

High School

Our high school curriculum is priced per school site based on total 9–12 enrollment. It offers flexible access across all grade levels and includes all digital resources and training.

One Simple Plan: Priced per school site, per year	
Total High School Enrollment	**Annual Cost**
1–99 students	$350
100–299 students	$850
300–699 students	$1,800
700–1,199 students	$4,000
1,200–1,999 students	$5,000
2,000–2,999 students	$6,000
3,000+ students per site	$7,000

We may request enrollment verification to ensure accurate pricing and licensing.

What is considered a school site? A district with four high schools would have four different school sites.
